WIRELINE COMPETITION BUREAU SEEKS COMMENT ON STIR/SHAKEN IMPLEMENTATION VERIFICATION CERTIFICATIONS

WC Docket No. 20-68

Comments Due: December 30, 2021

Reply Comments Due: January 10, 2022

By this Public Notice, the Wireline Competition Bureau (Bureau) seeks comment on voice service provider STIR/SHAKEN implementation verification certifications.

In the TRACED Act, Congress directed the Commission to grant exemptions from the STIR/SHAKEN implementation mandate for voice service providers that could demonstrate voluntary early implementation progress by December 30, 2020.¹ Voice service providers seeking to qualify for the exemption were obligated to submit a certification and supporting statement by December 1, 2020, explaining in detail how they met each prong of the exemption sought.² The Commission required any voice service provider granted an exemption to verify in a second certification, after June 30, 2021, that it achieved the implementation goals to which it first certified.³

Seven voice service providers sought exemptions for their IP networks. In December 2020, the Bureau found that all seven voice service providers qualified for the exemption,⁴ and in September 2021 the Bureau released filing instructions for the required implementation verification certifications.⁵ All providers granted an exemption filed an implementation verification certification. We now seek comment on those certifications.⁶
